

P & F President's Message

St Peter's is a wonderful school that provides the base of a growing pyramid for our children's future. Our Parent and Friends Association is a warm, friendly and energetic organisation of parents like you who come together to raise and discuss issues related to the spiritual, social and academic development of their children, at school.

As a P & F group, we have two major functions. The first is to foster a sense of community and the second is to fund raise.

Our fundraising activities include hosting Bunning's barbecues, selling Entertainment Books, organising discos and holding a community fete. At times, we also invite our families to High Teas and other social gatherings. These well-attended events are great fun, a good way to meet other parents and children, and often result in lifelong friendships.

The money raised by the P & F supplements the money collected through school fees and is used to enhance the educational experience of each and every child at St Peter's. This year, we have been able to contribute to the cost of the new playground equipment and have our grounds painted with new games as well as providing buses to travel to our school athletics carnival.

Coming to P & F meetings is one way of enabling parents to have a voice in their children's education and having your opinion. The monthly meetings provide an avenue for discussing topics relevant to school planning, policies and educational programs,

I extend a warm welcome to everyone within the St Peter's community and invite you to attend our monthly meetings which are on the 1st Wednesday of the month (excluding school and public holidays).

Aimee Sinclair
